INTRODUCTION

Ana G. Regardless of transfer credit status, students must earn a minimum of 25% of their degree credit hours as institutional credits to be awarded an AGMU degree.

COURSEWORK FROM REGIONALLY ACCREDITED INSTITUTIONS

All coursework from degree-granting institutions that are fully accredited at the collegiate level by their appropriate regional accrediting agency will be awarded in accordance with the following guidelines:

- a. All official transcripts must be received within forty-five (45) days after the student's first part of term at AGMU;
- b. All College level or College preparatory courses which have both grades and credit hours will be considered for transfer if they meet the minimum grade requirement of a "C" or higher for undergraduate programs and a "B" or higher for graduate programs;
- c. Credits at the upper-division college level (300 and 400 level courses) are not accepted for transfer into diploma and associate-degree programs and are only evaluated for transfer credit into baccalaureate programs;
- d. Course credits evaluated for transfer from colleges with different credit systems (i.e., quarter hours, units, etc.) are converted to semester hours;
- e. Core/Major courses including business, technical and specialty courses, may be accepted if those credits were earned no more than 5 years prior to enrollment date.
- f. Regardless of the number of credits accepted in transfer, student must complete at least 25% of the college-level credits required to earn an AGMU degree;
- g. If initial placement in courses cannot be determined after the evaluation of transfer work, students may be required to complete entry testing in one or more disciplines to determine course placements(s);
- h. All credits that are transferred to AGMU will become part of the student's permanent academic record and will appear on the AGMU official transcript as transfer credit;
- i. Transfer credits will be applied by the designated University officials in the most appropriate manner to the student's program of student in the area of general electives, general education, program courses, and other academic requirements.

COURSEWORK FROM SISTEMA UNIVERSIDAD ANA G. MENDEZ

Credits earned as any Sistema Universidad Ana G. Mendez will be accepted without a time limit unless otherwise prohibited by program requirements. UAGM courses will transfer to AGMU as a "T" on the student's academic record and will not impact the student's grade point average (GPA) at AGMU.

COURSEWORK FROM NON-REGIONALLY ACCREDITED INSTITUTIONS

Prior to initial enrollment at AGMU, a student may request credit for coursework earned at an institution that is not regionally accredited. All coursework approved by the designated academic administrator will be evaluated using the same guidelines as those for regionally accredited institutions. The academic administrator will determine specific course equivalency for a general education or major course or degree program requirement. Additionally, the equivalency may be granted towards elective credit. Approval of all evaluated coursework will be included in the AGMU official student transcript. Denied requests may be appealed in writing to the Vice Chancellor of Academic Affairs or their designee.

COURSEWORK FROM INTERNATIONAL INSTITUTIONS

All official transcripts received from post-secondary institutions outside of the United States that are in English, or Spanish will be evaluated by our Registrar's office using the same guidelines for regionally accredited institutions using *AACRAO Edge*.

All official transcripts from post-secondary institutions outside of the United States that are not in English, or Spanish must have a course-by-course commercial evaluation completed by an agency approved by the National Association of Credential Evaluation Services (NACES) at the student's expense. AGMU will perform an evaluation based on the course-by-course evaluation report received directly from one of the approved agencies and in accordance with the same guidelines as those for regionally accredited institutions.

Students will not be awarded General Education English credit for courses taken outside of the United States. These students will be required to take a placement test to place into the appropriate level English course.
