

# Master of Business Administration with specialization in Accounting

## 38 credits

### Specific Program Admission Requirements

1. Successfully completed a bachelor's degree in the same area of specialization or completed six (6) college-level credits in financial accounting from an accredited school.
2. If this prerequisite is not met the student must enroll in the course ACCO 500. ACCO 500 will not count for the student's cumulative grade point average.

### Program Description

This Master's Degree program in Business Administration is designed to provide the skills knowledge and abilities necessary in the area of Accounting. This major is geared towards the fundamental characteristics of an accounting manager providing emphasis in the accounting skills and knowledge required in today's constant changing economy. Also, it will provide knowledge on the use of technology to communicate and handle information and it will develop and enhance the communication skills and the management capabilities of each person.

### Program Objectives

1. To provide a course of study consistent with the needs of the industry.
2. To provide the knowledge of the accounting theories.
3. To provide the understanding of the processes of accounting and the use of computers.
4. To stimulate a positive attitude toward education, strengthening the concept of education as an on-going process.
5. To promote participation in community affairs.
6. To develop among students good interpersonal and communication skills.
7. To provide workshops in management techniques, marketing, accounting, and computers.

Program sequence will be available at the time of enrollment.

The language of instruction and program delivery modality are subject to availability.

### Notes:

1. ACCO 500 Financial Accounting is required for those students who do not have a minimum of six (6) college-level credits in financial accounting from an accredited school. Successful completion of ACCO 500 (or verification of six (6) college-level credits in financial accounting) is a prerequisite required before entering any ACCO or FINA course. Students who do not have six (6) college-level credits in financial accounting are required to successfully complete ACCO 500.
